### SUBMISSION OF REPLACEMENT SHEETS

Sir:

Enclosed are six (6) replacement drawing sheets including figures 1 - 6, intended to replace those filed on October 2, 2003, (i.e., those filed with Application). The replacement drawing sheets are being submitted with an Amendment in response to the Examiner's objection to the drawings and requirement for new drawing sheets. Figure 6 includes the addition of reference number 303 (as cited in the specification). However, no new matter has been added to the drawing sheets, and the replacement drawings merely provide the proper formatting (shading, etc) required under 37 CFR 1.84.

Dated: November 3, 2006
